

# *Content Creation Club*

## **By Rainbow 360 Media**

Content Creation Club is a monthly membership club that is ideal for those who struggle with their business Facebook page but either can't afford to outsource the task or still want to do it themselves but need help...Helen from Rainbow 360 Media has over 15 years' experience using Facebook for business.

## **What you'll find in the group**

- Industry specific posts written for you to use (copy & paste or edit to use).
- Lots of royalty free, original images for you to use freely on your pages.
- Discussions provoked in group to spark new ideas for you to use on your page.
- 'How to' lives and mini training on various useful skills such as watermarking images, post creation, why post, creating engagement etc.
- Calendar 'days' to use each month.
- Links to useful free apps and websites.
- Group collaboration pods to increase engagement on your page.
- Idea generation.
- Business promotion and in-group networking.
- Top tips from me about your profile, page, your lives etc.
- Accountability – we will all be that push you need!
- I will be available for any questions you may have, just post your question in the group.
- Q&A sessions.

## **What you'll do**

You will be held accountable to maintain a professional business Facebook page. Daily help and inspiration will be within group. No need to outsource your Facebook as the Content Creation Club will make it easy for you to do yourself!

## **How much is it?**

Content Creation Club is just £20 per month (early bird price) and is payable by Direct Debit on the first of each month. Content Creation Club is held in a private group on Facebook.
